

Paint

The following 3 colors are Golden Fluid Acrylics

- *Quinacridone Nickel Azo Gold*: This is a beautiful color that you will love, I would get a 4 oz size of this color.
- *Quinacridone Magenta*: If you don't care for pink get Quinacridone Crimson.
- *Phthalo Turquoise*: This color is strong so you won't need a big bottle of it, unless you love to work with this color.

The other colors can be in tube form. *(These are just suggestions, you won't need all of them)*

- *Cadmium Yellow Medium*
- Cobalt Blue
- Cadmium Red Light
- Vat Orange
- Titan Buff

Or any other color that speaks to you!

Brushes

These are just suggestions, use the brushes you already have if you wish.

- 1" Watercolor Brush
- ½" Watercolor Brush
- Large brush that you are comfortable with, roughly 2"
- Any other brushes you usually work with

Support Material

- 300 lb Cold Press Watercolor paper - 3 or 4 sheets depending on how large you want to work. You are not limited to just watercolor paper so if you want to paint on canvas that is fine.
- Square Charcoal (not the willow charcoal) - this is optional, I will demo with it but you don't have to use the charcoal if you don't want to. If you don't you won't need the Krylon spray.
- Krylon Matte Medium Spray
- White & Black Gesso - The smallest container of each
- 2" Blue Painter's Tape
- Black Sharpies - Fine & Extra Fine
- Sketch Paper - I use newsprint
- Paper Towels
- Container for Water
- Notebook/Paper for Notes
- Pen or Pencil
- Your Beautiful Smile!

If you have any questions feel free to call me:

Home: 575-751-0183

Cell: 719-440-3874

Can't wait to see you for this fun and inspirational 4 days together

Hugs,

Gwen
